

# BUYING BUILDING AUTOMATION AND HVAC PARTS ONLINE?

## syserco-parts.com

Offering millions of parts from more than 120 of the industry's leading manufacturers.

Syserco has taken another step in providing unique solutions for our clients in the creation of syserco-parts.com – an online shopping site for building automation controls and HVAC parts from more than 120 of the industry's leading manufacturers, and offering over 100 million

HVAC control components. We built syserco-parts.com to move you one step closer to meeting your project and business goals, and we've worked with our partners to develop a customer-focused site that will deliver the very best experience in purchasing all the parts you

need online. Visit syserco-parts.com today and register for an account to take advantage of preferred pricing and extended credit terms. We developed the site with you in mind, and we're confident that you'll see the benefits.

### MARKETS

We offer a unique online purchasing solution for facility managers, building owners, and contractors throughout the San Francisco Bay area.

### MANUFACTURERS

Over 120 industry-leading control part manufacturers, and the list keeps growing every day.

### CUSTOMER SERVICE

Via email or over the phone, syserco-parts.com service reps are here to make sure you get the best purchasing experience. We can assist with part selection, pricing quotes, site navigation and more.

### PRODUCTS

From thermostats to sensors and everything in between, we offer more than 100 million HVAC control components for your upgrade, replacement or spare parts needs.

### SEARCH TOOLS

However you prefer to search online – by product number, manufacturer, or keyword – you can find exactly what you need quickly, easily, and conveniently at syserco-parts.com.

### ACCOUNTING & REPORTING

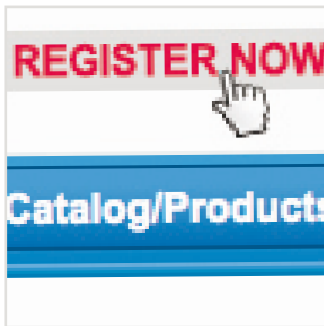

View your entire order history online or just download an invoice from your last purchase. syserco-parts.com gives you the information you need easier and faster.
